

TALDOGS

?s	Answers
What is TALDOGS?	TALDOGS stands for Title Author Legend Date Orientation Grid Scale
Why is a title important?	To tell you what you are looking at
Author	Listing the author helps you understand the point-of-view and bias.
Legend	The legend helps you understand what the symbols represent on the map
Date	The date is very important to help you understand when the map was written and to see how things change.
Orientation	The orientations is usually simple, the top of the map is north, but it is important to know that.
Grid	A grid can help you find places on a map.
Scale	The scale tell you how big something is or how far away a place is on the map.
